

Many Gifts, One Spirit

Have you ever disagreed with someone else's reading of a Biblical passage? Ever felt intimidated by your lack of Biblical understanding?

As Christians we are a diverse people with different interests, perspectives, and values. Yet we are united by a common faith and a common text: the Bible. Often, it seems like we know far too little about what the scriptures actually say or how they are relevant to our daily lives.

You have the opportunity to change all that! Disciple 1 Bible Study is a weekly program typically running from September to May in which small groups meet to really understand scripture. It's a chance to read, interpret, and discuss the Bible in an accepting community and apply it to your faith journey. It's challenging, insightful, and an opportunity to become part of a small group as well.

If you have questions about the Disciple studies, please contact Debbie Houghton (cui84@aol.com) or Amy Kennedy (734-994-4083).
