As we recap the financial results at the end of the second quarter of 2010, First United Methodist Church has seen several exciting changes in the last few weeks. We welcomed Nancy Lynn, our full-time associate pastor, and her daughter. Also new to FUMC is our Youth Director, Drew Angotti, and his family. Perhaps you participated in Sunday worship or Vacation Bible Camp and saw the newly installed downtown church parking lot? We have much to be thankful for!

Your faithful giving has enabled FUMC to attract and hire gifted professionals to minister to our congregation and youth program. To date, FUMC has received \$651,963 in tithes and offerings toward the general operating budget and mortgage obligation. This amount is on track with the budgeted income and yet is slightly less than giving at this time last year. Expenses year to date, are \$671,857 which is 2% less than budgeted at the midyear point.

Your generosity also extends to outreach and mission projects supported by FUMC such as the Habitat for Humanity, Love Thy Neighbor, Community Action Network, and mission trips to Costa Rico and Zeba. Year to date giving to designated projects is \$333,800. At annual conference, FUMC Ann Arbor was recognized among the top ten contributing congregations in the district.

During summer, attendance and giving tends to slow, but the work of the church does not. Consistent giving over the summer helps the church meet its budget and commitments. Please consider using the new online giving option at [fumc-a2.org](http://fumc-a2.org). Alternatively, you may elect to use your bank's online option to make regular contributions. Online giving allows you to give even when you are out of town on a well earned vacation! On behalf of the Finance Committee,
