### Our Church Statement

We seek to know God. We are grounded in unconditional love. We affirm all persons.

We learn from one another as we follow the teachings of Jesus Christ, an outsider who tore down dividing walls and calls us to unity. We are progressive, relevant, and committed to seeking peace and building hope through worship, service, social justice, and education.

No matter where you are on your faith journey, or how you worship, we welcome you to help us build our community. This includes all races and ethnicities, sexual orientations, gender identities, ages and stages of life, abilities and disabilities, and socioeconomic backgrounds.
